### What do we do?

Thespian Troupe honors students in the dramatic arts by inducting them into The International Thespian Society. We meet almost every other Tuesday to play theatre games and learn about interaction as an actor.

### How to remain a member

To remain a member of Troupe 1102, you must attend at least 3 meetings per semester. This will be tracked by an attendance sheet at each meeting.

### How to be inducted

To be inducted into the International Thespian Society you must accumulate at least 10 Thespian Points. These points can be awarded through participating in Princeton Theatre shows, coming to meetings, and participating in Thespian fundraisers. Points are recorded by the Historian.

### Code of Conduct

The Troupe 1102 code of conduct parallels that of Princeton HS. It is expected that members be respectful and engaging to each other and to officers. It is expected that members participate and help recruit new members.

### Possible Fundraising Ideas

- Halloween "Trick or Treat" Canned Food Drive
