

**2017-2018 THESPIAN TROUPE 1102 APPLICATION**

**DUE BY: WEDNESDAY MAY 3rd**

Positions

Below are the positions and their descriptions (Read them thoroughly!):

**President (1)** - The president will lead the troupe. They work with the Thespian advisor, plan officer meetings, and oversee all that the officers and troupe do. They also delegate the roles of the Thespian officers to ensure all jobs are being taken care of. They are just as important as any of the other positions the officers must work as a team. You must have been a Thespian officer for at least one year to run for this position.

**Vice President (1)** – Similar to the president this person must be able to delegate jobs/responsibilities to individual officers, and work with the advisor, they should do these things if the president fails to. In case of any issues with the president this officer will step in as acting president until a new president is elected from the current officers. Unlike the president you do not have to have been an officer in any year prior to apply for this position.

**Thespian Officers (3)** - The other three officer positions are undefined, and are determined after the officer elections. The work will be divided amongst all officers in whatever way is most efficient for the group. The officers work with the co-presidents and the Thespian advisor to plan Thespian meetings, Junior Thespian meetings, banquet, and various events. Similar to the vice president any grade can run for this position.

All five Thespian officers are admins of our two Facebook pages- Thespian Troupe 1102, and Princeton Theatre. They also access our Twitter accounts, email, Instagram, website, and snapchat. It is important that all the officers are willing to give their best effort and work together. It is understood that everyone has a life out of the theater, however repeated inability to fulfill your duties as an officer may result in probation and eventually being asked to step down from your position.

Please fill out the following info in its entirety! You may write on this sheet, or type and email your responses to [troupe1102@gmail.com](mailto:troupe1102@gmail.com). No applications will be accepted after Wednesday May 3rd. Turn in applications to a current Officer.
